

Process Maintenance Technician

Location: Pan Mine, Ely Nevada

Department: Process Maintenance

Reports to: Process Maintenance Supervisor

Compensation: \$30.00 per hour to \$49.70 per hour (DOE and skill level)

Position Overview:

Mining Americas Inc. is seeking a motivated **Process Maintenance Technician** to join our maintenance team at **Pan Mine**, an open-pit heap leach gold operation located outside of Ely, Nevada. This position plays a critical role in maintaining the equipment that keeps our mine operations operating safely, efficiently, and reliably.

If you enjoy troubleshooting mechanical equipment, solving problems, and working with a team that values safety, accountability, and continuous improvement, we'd like to hear from you.

What You'll do:

- Follow all MSHA regulations, company safety standards, and environmental requirements
- Perform preventive, predictive, and corrective maintenance on fixed process plant equipment
- Troubleshoot and repair mechanical failures to minimize downtime
- Maintain crushers, conveyors, pumps, piping, ADR equipment, carbon handling systems, and water distribution systems
- Install and replace bearings, shafts, seals, belts, chains, gearboxes, couplings, motors, and other rotating equipment
- Perform welding, cutting, fabrication, rigging, and equipment change-outs
- Complete work orders and maintenance documentation using the CMMS
- Assist with plant shutdowns, inspections, and reliability improvement projects
- Work closely with operations to safely maintain efficient gold production

What We're Looking For:

- Three or more years of industrial or mining maintenance experience preferred
- Strong mechanical troubleshooting and repair skills
- Experience with pumps, conveyors, crushers, piping systems, gearboxes, valves, and rotating equipment preferred
- Welding and fabrication experience preferred
- Basic hydraulic, pneumatic, and electrical troubleshooting knowledge
- Ability to read mechanical drawings and technical manuals

Experience Required:

- High school diploma or equivalent
- Valid driver's license with an acceptable driving record

What We Offer

- Safety-focused work environment
- Competitive compensation
- Opportunity to grow within a developing Nevada gold operation
- Team-oriented culture built on accountability and operational excellence
