Reports to: Utility Supervisor

Position Overview:

We are seeking a safety-driven and mechanically inclined Utility Crew operator to provide operational support across the surface mine and heap leach facilities. This role performs a wide range of labor, maintenance assistance, and process support tasks to ensure safe, efficient, and continuous operations**.** If you are proficient with a backhoe, skid steer, dozer and 4,000-gallon water truck and/or telehandler experience and thrive in a hands-on mining environment, we encourage you to apply.

Duties:

- Receive daily helper/labor assignments to assist assigned departments as directed
- Assist with completing pre-shift inspections
- Specific duties related to the Leach Pad:
  - Moving, bolting and fusing 4” to 20” pipe
  - Assist in lifting spools
  - Install drip lines
  - Ability to communicate using radio and hand signals
  - General and basic physical labor activities
- Sample, load and deliver blast hole sample bags
- General clean-up and housekeeping duties as required
- Skills with and ability to use a variety of hand tools
- Ability to work in a physically demanding, outdoor mining environment in all weather conditions

What We’re Looking For:

- 2–3 years of backhoe, skid steer and/or telehandler, dozer and 4,000-gallon water truck experience preferred
- Basic mechanical aptitude
- Strong safety mindset and attention to detail
- Excellent attendance and reliability
- Ability to work 10-hour shifts

Experience Required:

- High school diploma or equivalent
- Valid clean Driver’s License required
- MSHA training (or ability to obtain)
- Ability to lift to 50-75 lbs. frequently
- Ability to work outdoors in mining conditions
